COMMISSION DIRECTIVE**

MOTOR CARRIER MATTER	<input type="checkbox"/>	DOCKET NO.	<u>2005-385-E</u>
UTILITIES MATTER	<input checked="" type="checkbox"/>	ORDER NO.	_____

**SUBJECT:**

DOCKET NO. 2005-385-E - Petition of the Office of Regulatory Staff to Establish Dockets to Consider Implementing the Requirements of Section 1251 (Net Metering and Additional Standards) of the Energy Policy Act of 2005 – Discuss with Commission the South Carolina Coastal Conservation League's (CCL) Motion for Reconsideration of Intervention Request and the type of format for updates on net-metering in South Carolina.

**COMMISSION ACTION:**

Grant the Motion for Reconsideration of the Intervention Request filed by the South Carolina Coastal Conservation League. Because the current procedure that the Commission is pursuing is not an adversarial one, intervention at this point in the Docket does not prejudice any party. Therefore, I move that the Commission reverse its previous denial and approve the South Carolina Coastal Conservation League's intervention out-of-time in this matter. Also, I move that the Commission schedule a workshop instead of allowable ex parte presentations to gather this information. Any party desiring to participate in the workshop must prefile its testimony or presentation with the Commission. Staff is directed to issue a Notice of Workshop that indicates that the Workshop is scheduled to begin at 10:00 a.m. on Thursday, September 12, 2013. Such Notice shall also contain prefiling deadlines for direct and responsive statements.
